NATIONAL UNION OF WOMEN TEACHERS.

DO YOU KNOW

1.—That women teachers receive less than four-fifths of the salaries of men teachers?

2.—That by the 1925 re-adjustment of salaries, all grades of women teachers suffered a loss in salary?

3.—That by the same re-adjustment the commencing salary of trained certificated women teachers is from £12 to £18 a year less than that of similarly qualified men teachers?

4.—That a man's annual increment was reduced by 10/-; a woman's by £3/10/-?

5.—That the proportion of headships open to women is much less than the proportion open to men?

6.—THAT THE N.U.W.T. IS THE ONLY TEACHERS' UNION WORKING TO END THESE INJUSTICES?
